## Guidance on applying for Early Learning and Childcare (ELC) Funding in Aberdeenshire

### Introduction

Scottish Government have committed to 1140 hours of funding per year of Early Learning and Childcare (ELC) for all 3 and 4-year-old children and eligible 2-year-old children who meet the criteria.

Aberdeenshire Council has a duty to provide funded ELC places for all 3 and 4-year-olds and for eligible 2-year-olds. Parents/carers will be entitled to up to 1140 hours of ELC.

In Aberdeenshire we provide high quality, flexible ELC that is accessible and affordable for all families. We provide a variety of settings across Aberdeenshire for families to access up to 1140hrs of funding every year.

There is a variety of settings providing different models of ELC for you to choose from. These include Local Authority schools and Funded Providers, our Funded Providers include private nurseries, playgroups, childminders, and independent schools.

At the end of this guide, you will see an overview of what each individual setting can offer you. You can choose a setting that is right for you and your child.

## How will my child benefit from attending Early Education and Childcare?

Early year's education is not statutory education in Scotland but has many benefits. It allows children to acquire vital skills allowing them to listen to others and share their own ideas. Children can make friends, learn to share, cooperate, and develop a lifelong love of learning.

### Curriculum for Excellence

Curriculum for Excellence represents Scotland's vision for the education of all children. It aims to raise standards, improve knowledge, and develop skills. The aim of all Early Years' settings and primary schools in Scotland is to ensure that all children's experiences are broad general education and skills for learning, life and work that are delivered with a focus on literacy, numeracy, and health & wellbeing.

### The Care Inspectorate

Is the independent scrutiny and improvement body for care services in Scotland. Reports on childcare settings can be accessed through the website.

[www.careinspectorate.com](http://www.careinspectorate.com)

[www.educationscotland.gov.uk](http://www.educationscotland.gov.uk)

### Funded Provider

Funded providers are **private nurseries, playgroups, independent schools and registered childminders**, who are in partnership with the local authority to deliver the expanded funded hours. Funded providers must meet the same quality standards as local authority provision and are governed by the same regulatory bodies e.g., Care Inspectorate and Education Scotland

**Application period – 23rd January 2023 – 3<sup>rd</sup> February 2023**

## How can I apply?

If you wish to apply for an Aberdeenshire Early Learning and Childcare setting, you can apply using the online form available on the Aberdeenshire website

<https://online.aberdeenshire.gov.uk/schooladmissions/elc>

**Please note children are required to attend a minimum of 2 sessions per week at a local authority setting.**

## Do I need to reapply even if I'm returning to the same setting?

All children need to apply for the eligible funding every academic year. Even if they are attending the same setting.

## How can I use my ELC funding?

Parents/carers have a choice of ELC settings in Aberdeenshire where they can access up to 1140hrs of funding per year. Your entitled funding gets paid directly to your ELC provider by Aberdeenshire Council. Funding can also be used in other local authorities. In Aberdeenshire there are a range of delivery models that you can choose from. Aberdeenshire Council offer 46 week and 38 week models but funded providers will offer other models in addition to this.

In an Aberdeenshire Council ELC setting, the models and hours are as follows.

It can be used for full days, half days, 38 weeks (term time) or 46 weeks (all year) per year.

### **09:00-15:00 Term Time (38 weeks a year) 30 hours per week**

Children can attend up to 5 sessions a week in blocks of 6 hours.

### **08:00-18:00 Term Time (38 weeks a year) 30 hours per week**

Children can attend up to 6 sessions a week in blocks of 5 hours.

### **08:00-18:00 All Year Round (46 weeks a year) 25 hours per week**

Children can attend up to 5 sessions a week in blocks of 5 hours

## What do I need to pay?

Parents and carers will **not** have to pay for any part of their child's funded entitlement and will not be asked for any upfront payment. This will be free at point of entry.

Parents/Carers are not asked to make any upfront payments at any time. This does not include additional charges such as the cost of special day trips or extra-curricular activities, which may be charged to parents / carers.

### Support with extra costs

Sometimes an ELC setting will ask you to pay for snacks, meals, or special day trips. Or they might ask that you provide things like nappies, wipes, sun cream, or waterproofs/wellies for example. It all depends on the setting. But if you're worried about how you'll be able to pay for the wee extras, why not check out the [Best Start Early Learning payment](#) as you might be eligible up to £250 to help with costs like these

[Funding follows the child and the national standard for early learning and childcare providers: principles and practice - gov.scot \(www.gov.scot\)](#)

### Purchasing additional sessions/wraparound care.

It is only possible to purchase additional ELC sessions/wraparound care from funded providers. This is a private arrangement between the funded provider and parent. You cannot currently buy additional hours or sessions from Aberdeenshire Council settings.

### Using Less Hours

**1140 is an entitlement but isn't compulsory.** You don't need to use all your 1140hrs entitlement. It is not compulsory to use the full 1140 entitlement and you do not have to access all the hours if it doesn't suit you and your child. If you choose not to use your full entitlement the remaining funded hours are non-transferable, in that they can't be saved for a later date. 1140 entitlement is provided on a pro rata basis.

### Included Meals/snacks

Children will be entitled to a meal if their session is longer than four hours. A meal maybe offered as a lunch or a high tea. You can access two funded meals if your child is in the setting all day i.e., 8am to 6pm. A child must be accessing a minimum of 8 funded hours in a day in order to access a second funded meal. A maximum of 6 funded meals can be accessed per week.

## Where can I use my ELC funding?

### Types of ELC Providers

[Funding Follows the Child](#) ensures that the funded early learning and childcare entitlement is delivered in high quality settings. It is underpinned by a National Standard that all settings – regardless of whether they are in the public, private, third or childminding sectors – that wish to deliver early learning and childcare must meet.

The National Standard sets out what children and families should expect from their early learning experience regardless of where they access their child’s funded hours.

All ELC providers will be required to meet the Standard before they can access funding to deliver the free hours, whether they are in the public, private or third sectors or childminders.

Regardless of whether you are applying for an ELC place with a school setting or a childminder, you will need to complete the online application form in order to access your funded hours.

Parents should contact funded provider settings directly to confirm a place before completing an application form.

- **Childminders**- look after children in their own home and can often provide flexible care in a homely environment. Some childminders may also provide options for pick up and drop off.
- **Private Settings** - there is a range of private settings offering a variety of models.
- **School Setting** - Settings provide care for children between 3-5 years many of these settings are attached to schools.

**\*Cluster area**

*(Local primary schools are grouped in ‘clusters. All primary schools within the cluster are zoned for the same secondary school)*

*Local Authority settings are attached to primary schools, however there is no guarantee that your child will be able to stay at the school for their primary education if your child is not zoned for that school.*

- **Playgroups**- there is a range of community-based/voluntary run playgroups across Aberdeenshire. Often these are in located in a community setting.
- **Outdoor settings** – These settings are based outdoors and focus on learning in the outdoors. Mucky Boots, (Maryculter) Haddo Woodland Kindergarten (Haddo House) and The Mud Kitchen (Maud)

All our providers are registered with Care Inspectorate under Daycare of Children or childminding registration. All reports on settings can be seen on the Care Inspectorate website. <https://www.careinspectorate.com/>

## How do I choose a setting?

With the variety of models on offer parents/carers should consider the type of setting that suits your child and family. Taking into consideration the location, the size of setting and the model of delivery.

If you wish to visit an ELC setting prior to submitting your application, please telephone/email the setting directly to make an appointment.

Transport to and from an Early Learning and Childcare setting is **not** provided or funded by Education and Children's Services.

## Can I use my funding in more than one setting?

### Blended Placements (Split Placements):

**Ideally a child should attend one setting consistently. Parents should consider whether a blended placement is necessary.**

Parents and carers can request to blend their funded hours between a maximum of two settings. You can indicate this on the application form. Blended placements can be across two local authorities or between a local authority and a funded provider or between two funded providers. Parents need to check with both settings to see if they offer blended placements and can offer the desired pattern/hours of attendance requested before applying. If a Funded Provider does not wish to accommodate blended placements, then the application cannot be supported.

**\*Please note if you decide to change/cancel your blended placement once funding has started, then this can only be done at the start of an intake period.**

**\*Please note sessions in local authority settings are either 5 hours or 6 hour blocks we do not operate half or partial sessions in school settings, if you choose to take less hours than you are entitled to within these blocks then these hours cannot be used at a later date or at a different setting.**

**\* Please note children are required to attend a minimum of 2 sessions per week at a local authority setting.**

## How do I apply for ELC Funding if I defer entry to school?

Children are only entitled to defer if they are **still 4 years old after the start of the academic year on 22<sup>nd</sup> August 2023.**

**Please speak to your Early Years Senior Practitioner if you have any concerns about your child moving on to primary one.**

## **When will I be notified about my submitted application?**

### **Local Authority:**

<b>Children due to start:</b>	<b>Parents are notified by email/letter:</b>	
August	March	<b>Applications after notification period will be dealt with on an individual basis.</b>
October	June	
January	September	
April	December	

Parents should return the acceptance letter/email accepting/declining your offer by the date specified on the letter or it will be assumed you no longer require your place.

### **Funded Providers:**

You will be notified of your child receiving a funded place directly from the provider. This will be up to 1140 hours, depending on funded place applied for.

Regardless of whether you are applying for an ELC place with a school setting or a childminder, you will need to complete the online application form in order to access your funded hours.

You will be required to give advance notice of holidays, so that the Early Years Senior Practitioner at the local authority setting can plan staffing, meals etc.

Should you wish to change from accessing term time to 46 week model in a local authority setting, you will need to give at least 4 weeks notice prior to the start of a holiday, should you wish to access funded hours during the holiday period. This is to allow for planning.
